

NOW HIRING

Water Treatment Plant Operator(s)

Shoshone Municipal Pipeline is seeking a highly motivated, reliable person, who is a quick learner and works well as part of a team, to fill the position of Water Treatment Plant Operator in Cody, Wyoming. The person selected for this position will be trained to operate the water treatment plant and the raw and treated water pipelines, and is required to obtain certain levels of certification within a specified timeframe (see below).

This position is responsible for performing specialized duties in the operation and maintenance of a 16.5 MGD conventional surface water treatment plant and 70 plus miles of supply and transmission water pipelines. Mechanical, carpentry, computer networking, and/or instrumentation experience is a plus. This job requires overtime, callback, and weekend work as needed.

The position and pay ranges listed below are based on experience and certification levels:

- Water Treatment Plant Operator-in-Training – Entry Level/No Experience, \$22.65 – \$25.35 per hour DOE
- Water Treatment Plant Relief Operator – 1 Year Experience, currently holds State of Wyoming Level 2 Water Treatment and Level I Water Distribution Licenses, \$24.95 - \$27.56 per hour DOE
- Water Treatment Plant Operator III - 2 Years Experience, currently holds State of Wyoming Level 3 Water Treatment and Level 2 Water Distribution Licenses, \$26.66 - \$29.51 per hour DOE
- Water Treatment Plant Operator IV - 3 Years of Experience, currently holds State of Wyoming Level 4 Water Treatment and Level 2 Water Distribution Licenses, \$29.82 - \$31.94 per hour DOE

Shoshone Municipal Pipeline offers a competitive benefits package including paid vacation, sick leave, and holidays, medical insurance including dental and vision, and fully funded State of Wyoming Retirement. This is a drug free / tobacco free work place. A pre-employment physical, drug test, and background check are required. We are an equal opportunity employer.

To apply, submit a letter of application and resume to:
